

JULY

MONDAY 4

(186-180)

1904

Sawhorse: visiting wood a housing potatoes  
 Set a wood set getting up fence for horse  
 Sander: very many worms  
 Sander: raising up fence with old  
 fence set in garden fixing up top  
 of kitchen for rain  
 Big hinder for stone somewhere it  
 seemed to wobble about this  
 deserted to valley as we one had  
 a few drops of rain

TUESDAY 5

(187-179)

Spent Sander in up to island to help  
 fix water to get out his canoe  
 very windy still at out in garden  
 behind with off his front in a  
 hole; the woman who was making  
 (the) tracked about 4 miles ~~to~~ his  
 from here like he is surely

WEDNESDAY 6

(188-178)

W. & Division O'Connell  
 from N.E. with his traps to 10/30  
 on road grade the trip from Riverside  
 in 2 1/2 days.

JULY

THURSDAY 7

(189-177)

1904

A fine warm day with in office  
 Sander at potatoes
