Dear Sir

I inclose here in the Monthly Statement for the Month ending Dec 31st which I hope you will find correct I am sorry to say that you will see by the statement that trade is much less than last year at this time. the Majority of the Indians has not been in and will not be before March the Furs I have got is what I have handled around here from a few Indians scattered on the Rivers

I have had no report from Hope Post since I was up there in October I think Taylor will be able to hold his own with the traders. though they are trying to make things hot around here. Opposition here are running around trying their very best Mr Keith who used to be here is clerk for the traders here this winter and is trying his best against us.
