

May 1928 Tuesday 1

A fine clear day after the rain  
 self & Willie plowed the garden  
 & disked it. Fred cutting cord wood  
 H. & Tom finished his little saw  
 and is now ready to start down  
 the fence but there is a lot of  
 ice going down yet

Wednesday 2

Continues fine weather self  
 working in the garden. Willie  
 went up to see Tom & family to yard  
 in the crop. Fred cutting cord wood  
 H. & Tom & partners left this afternoon  
 for P. B. King. Mr Harris & Anderson  
 down for a visit.

Thursday 3

Weather self went up to see the  
 Boys Angus finished seeding yesterday  
 Willie seeding today he will seed  
 20 acres. George plowing  
 the mail arrived from Bolla  
 I sowed a few onion seeds this evening

Friday 4

Continues fine weather self working  
 in garden. Fred went up to Bista  
 Loments to get a few supplies. I hear  
 about 30 more Home steads around
