

June 1928

Sunday 15

Very hot a few showers in afternoon
Self hauled a load of logs from
Revels old. Sammie Melle
went to Charlie Lake for some
Lumber River rising again

Saturday 16

Cloudy with showers all day
flies very bad. Melle brought down
a load of Lumber from C Lake
Self went up to the upper ranch
Shanty plowed in grain and as the
flies were bad he quit

Sunday 17

Cloudy with showers one of our
Cows had a calf in the bush I
found the calf dead and I brought
home the cow. I heard that
Mearns had got in at Taylor
and will be here tomorrow

Monday 18

a fine clear day very hot
and lots of flies Mearns Boat
arrived this morning with
2 cows loaded with freight
and a few passangers. after
unloading part of the night he
left for H Hope. Cloudy toward
evening and looks like rain
