

November 1929

Saturday 23

A fine clear day I was busy cutting up fire wood a lot of ice going down the River I went down to the old Post for a visit.

Sunday 24

Blowing a strong Chinook Wind and continued all day I went up to see Willie and brought down some wheat for the Pig had a visit from Bob McLeod this evening the snow nearly all gone

Monday 25

Still blowing a warm W Wind the River rising very little ice going down Busy at odd jobs

Tuesday 26

A fine mild day Prantz cutting fire wood in the back by digging a well west of the house. The River clear of ice

Wednesday 27

Started to snow & Rain early this morning and continued all day Prantz and I finished the well and cribbed it, but very little water came in, Willie came down with a load of hay
