

August 1930
Monday 18

Rain this morning but a few showers all day. I went up to the Bussick's after dinner and I had a car on of the Motor ~~at~~ ^{at} for the first time. Jack Mowry & Mrs MacKinnon and a motor man came down for a look and we had a good time till nearly eleven when they left for Peolia.

Tuesday 19

A fine clear day. John & I went up and dug a cellar where the house is to be built. We got back about 6⁰⁰ this evening.

Wednesday 20

John & I as yesterday Willie came over and hauled the logs in place we went over to timber on the river. I saw Hovey and made arrangements for a binder. I also saw S. Brady of Halgway River.

Thursday 21

Weather fine. John went up to see the Boy they went for the new binder this morning. I went up for the mail after dinner. A Masland started to cut S. Olmsted's wheat today.
