

March 1931

Thursday 12

Continues cold and stormy
wind N to very cold Willie
brought the Mail down this evening
20 below this morning

Friday 13

25 below this morning, but
fine all day. I went out down
some brush after dinner
Willie went home at noon

Saturday 14

Cold and stormy wind from
North. I went up to see Willie but
he was not at home. Started to
snow this evening

Sunday 15

Cold this morning it snowed
about 2 in during the night.
Very Mild this afternoon

Monday 16

continues cold + stormy I went
up to Willie very cold up the hill
and trails all drifted over very
hard going

Tuesday 17

A little milder to day but very cloudy
I went up to the H.B. roads had
a few of the trappers coming in
