

March 1934

Wednesday 7

below this morning cloudy
toward evening. Frank cutting
fire wood in the bush. It
started to snow about 8 o'clock
this evening.

Thursday 8

snowed all last night. Cleared
up towards day light. Mild
all day. Wind N. to this evening
15 above Z,

Friday 9

A fine mild day. Blowing a strong
West wind and thawing after
noon. Frank's cutting fence
rails blowing a strong N.W. wind
to night and very warm.

Saturday 10

Blowing a Chinook wind all day.
The biggest thaw we have had winter
summer all over the snow all
gone off the hills. The cattle out
on hill all day. Geese and ducks
seen at Taylor flat today.
The H. Hope mail man brought in
a trapper who has got both his legs
frozen he was trapped on the upper
Pecos River.
