

October 1934

Saturday 6

A fine clear day. I was busy getting firewood. The Boys finished stacking the Mail got in this evening.

Sunday 7

A fine clear day. I drove down to the Ranch. I and Frank intended to put the Pistons in the Celler but we found them to wet. I got back at 6 o'clock. The thrashers busy all day. Very cloudy this evening.

Monday 8

Rain this morning but cleared up before noon. The thrashers started to work this evening. Cloudy again this evening and may rain.

Tuesday 9

A little rain early this morning but cleared up at day light. I drove over to St John for a few supplies. Fine and clear this evening.
