September 1935

Thursday 20

A fine clear day blowing a strong
West wind Cloudy towards evening
All the Trees are bare Pretty thin
Grain Most of them have good caps
but the oats is very green and has
been touched by frost

Saturday 21

Cloudy and blowing a strong gale
from the West I went over to the
H B and had dinner I got the mail
after dinner we had a heavy shower
for nearly 2 hours it rained
again towards 8 o'clock this evening

Sunday 22

fine and clear this morning
I drove down to the top of the
Hill to see Frank Mr Hawes is cutting
Barley (oats) Adams Frank & Lindsay

Monday 23

A frost last night but fine all day
blowing a strong West wind
West towards evening Frank Slinger
at top the hill

Tuesday 24

frost again last night blowing a cold
North wind all day I was busy cutting
up Carrots & Potatoes all day Frank
as yesterday
